Important

The information listed herein is correct to the best of the Company's knowledge and belief, having been compiled from reliable and official sources of information.

However we cannot assume any responsibility for possible errors.

Please refer to your Partquip price list for parts currently available.

Notes:

This catalogue replaces all previous issues. For older vehicles not covered in this issue, please refer to previous issues or contact your nearest Partquip branch. While every effort has been made to ensure that the information in this catalogue is correct at the time of printing, Partquip cannot accept any responsibility for errors which may occur.

Quality:

The manufacturing standards of all parts are very high and ensure the maximum degree of safety under all climatic conditions. It is necessary sometimes to manufacture parts that differ slightly in appearance from the old parts removed from a vehicle. In many cases these will be of improved, modern design and in all cases they will function as well as the parts replaced.

Guarantee:

All goods are guaranteed for 12 months from date of purchase against defects arising from faulty material or manufacture/workmanship. This guarantee does not extend to defects caused by wear and tear, neglect or accidental damage. All goods are sold with the understanding that we cannot accept liability for consequential personal injury, damage or loss as a result of the misuse or incorrect fitment of our products.

General:

All parts listed, sold or supplied are offered and sold as parts for replacement only. Vehicle or manufacturer names, descriptions, symbols and numbers listed in this catalogue are used for reference purposes only.

The contents of this catalogue are protected by copyright.
Unlawful use of the contents will result in prosecution.
